

Wave vat with stroboflash and digital frequency meter

EQ231H

Knowledge areas

Physics

Key Experiments

Two-dimensional waves in a liquid medium using electronic stroboflash (estrobflash)

Two-dimensional waves in a liquid medium using electronic stroboflash (estrobflash)

The reflection of a two-dimensional wave in a liquid medium, using electronic stroboflash (estrobflash)

The refraction of a two-dimensional wave in a liquid medium, using electronic stroboflash (estrobflash)

The diffraction in two-dimensional waves in a liquid medium using electronic stroboflash (estrobflash)

Interference with two-dimensional waves in a liquid medium, using electronic stroboflash (estrobflash)
